Department of social science and humanities  
School of economic and social sciences  
Russian Academy of national economy and public service under the President of the Russian Federation  
[elqagz@yandex.ru](mailto:elqagz@yandex.ru)

#### **Legal protection of internet domains**

**Keywords:** Intellectual property, exclusive right, internet, trademarks, service mark, brand identity, domain names, personal domain name, personal domain mark

The author examines theoretical and practical aspects of internet domains and controversy related to their status as objects of intellectual property. In the article the author outlines the existing conflict between legal status of trademarks and protection of domain names, and explains the necessity of secondary application of trademark legislation to domain names.

### **KANASHEVSKY, Vladimir Alexandrovich**

Doctor of Legal sciences  
Professor  
Moscow State Law Academy named after O.E. Kutafin  
Department of Private International Law  
[seleron75@mail.ru](mailto:seleron75@mail.ru)

#### **Confidentiality agreements: conflict of laws**

**Keywords:** Cross-border transfer, trade secret, applied law, supraimperative norms  
Confidentiality agreement concluded with a foreign citizen can fall under any national jurisdiction. At the same time the norms of Russian Federal Law 'On trade secret' have territorial effect, and they must be observed notwithstanding the fact that confidentiality agreement has a foreign jurisdiction. However identifying these norms as supra imperativa is inconsistent with their essence, since they have the same legal effect as norms of intellectual property law which have a territorial effect as indicated in Russian Civil code.

### **KHABIBULIN, Alik Galimzyanovich**

Doctor of Legal sciences  
Professor  
Department of theory of state and law and political science  
Lomonosov Moscow State University Law School  
[21Alik@mail.ru](mailto:21Alik@mail.ru)

**Keywords:** Reform, Ministry of internal affairs, police, tendencies in development and evolution of society, state, and organs of internal affairs

Based on the history of interior affairs agencies the author of the article tries to retrace certain tendencies in police reforms within a specific historical period of social and political development. According to the article, in order to be successfully accomplished any innovation or reforms of interior affairs agencies and the state per se should meet the challenges of modern times and follow certain rules.

### **KONDRAT, Ivan Nikolayevich**

Candidate of Legal sciences  
Professor  
Department of legal support to management  
MGIMO University  
[inkondrat@mail.ru](mailto:inkondrat@mail.ru)

#### **Protection of human rights under Russian criminal procedure, social policy of the State**

**Keywords:** Social problems of the state, criminal legal proceedings activity, human rights and freedoms, protection of rights and legitimate interests, criminal prosecution, aims of the criminal prosecution, restriction of rights and freedoms

The article observes one of the questions that occurred during the law reform, in particular, it concerns enhancing performance of state bodies and state officials, authorized to use coercive measures, who deal with criminal proceedings. Successful achievement of aims and solving of tasks of criminal procedure activities depend on a set of political, legal, managerial, and economic factors.

### **PRESNYAKOV, Mikhail Vjacheslavovich**

Doctor of Legal sciences  
Professor  
P.A. Stolypin Povolzhsky academy of public administration (Saratov)  
[jamilaveleva@yandex.ru](mailto:jamilaveleva@yandex.ru)

#### **Minors and employment restrictions: flaws of law**

**Keywords:** Restrictions, freedom of labor, conviction, criminal record, proportionality, retroactivity

The article observes a restriction set forth in Russian Labor code that concerns employment of minors who have a criminal record or conviction (including expired one). The author comes to a conclusion that this restriction conflicts with the Constitution due to several reasons.

### **SHCHERBAK, Natalia Valerievna**

Candidate of Legal sciences  
Associate professor  
Lomonosov Moscow State University Law School  
Department of Civil Law  
[NVShcherbak@yandex.ru](mailto:NVShcherbak@yandex.ru)

#### **Internet sites and internet providers: issues of civil law regulation**

**Keywords:** Internet site, internet provider, complex object, collective works as composite objects, multimedia product, free license, Creative Commons, GNU FDL, unilateral waiver of intellectual property rights, license
