## AFANASIEV, Sergei Dmitrievich

Postgraduate Student  
Department of constitutional and municipal law  
Lomonosov Moscow State University Law School

### Some aspects of laws on religious associations in Russia

**Keywords:** Religious associations; public associations; freedom of religion

In the article the author discusses two opposite approaches towards regulation of the legal status of religious associations. The analysis carried out in the article shows that Russian laws do not clearly identify religious associations within the system of citizens' associations, which means this issue requires further examination and developing another approach.

## ANDRIANOVA, Natalia Gennadijevna

Postgraduate  
Department of law studies  
Lomonosov Moscow State University High School of Public Audit

### Current legal issues of using rescript fiscal as anti-avoidance measure

**Keywords:** Anti-avoidance measures; preventing abuse of law; rescript fiscal; institute of tax law recommendations; recommendations on tax law treatment

Based on the analysis of foreign practices concerned with rescript fiscal, the author suggests some aspects of this mechanism could be incorporated into the Russian Federation Tax Code.

## BELYCHEVA, Ekaterina Sergeevna

Postgraduate  
Department of business law  
Lomonosov Moscow State University Law School

### Number of shareholders as characteristic of public joint stock company

**Keywords:** Legal entity; form of incorporation; public and non-public companies; shareholder; characteristic of public companies

The author addresses the classification of companies into public and non-public following the amendments to corporate law provisions. The author tries to establish whether a public joint stock company with over 500 shareholders can change its status to a non-public company. The main question of the article is whether the number of company shareholders serve as a defining characteristic of public joint-stock companies.

## KHAMIDULLIN, Marat Talgatovich

Head of legal department at JSC Tatenergy  
Postgraduate  
Department of business and energy law  
Kazan Federal University

### Concept and types of utility connection agreements for heating systems

**Keywords:** Power supply; heat supply; utility connection; utility connection agreement for heating system; classification of agreements

The author introduces a new classification of utility connection agreements for heating systems. Each type of agreement is illustrated with examples of court practice.

## KISELEVA, Olga Pavlovna

Postgraduate  
National Research University Higher School of Economics Faculty of Law  
International Cooperation Coordinator  
Public Centre for Legal and Judicial Reform.

### Criteria of applicability of restorative justice programmes in criminal cases

**Keywords:** Restorative justice; criminal justice; conciliation methods; mediation; case selection criteria

Restorative justice is an alternative to the conventional methods of criminal justice. Its main objective is to establish a dialogue between the perpetrator and the victim (their relatives) in order to mitigate the harm done and prevent recurrent criminal conduct. The author studies possible limitations of this method in case of certain crimes.

## KUDRYASHOVA, Svetlana Nikolaevna

Member of the Association of lawyers of Russia (Bryansk branch)  
Chief inspector  
Department of economy, housing and construction  
Seltsko town administration (Bryansk region)

### Job description as means of labour regulation

**Keywords:** Job description; labour contract; by-laws; regulations; scope of duties

The author points out that neither laws nor legal practice can offer clear understanding of the legal nature of job descriptions. The author tries to determine if job descriptions can specify and determine the scope of employee's duties. Using the examples of court practice the author analyzes the consequences ensuing the modifications of job descriptions, which then affected the scope of employees' duties.

## MAKHAEV, Makhtay Shapievich

Doctor of legal sciences  
Professor  
Department of forensics  
Lomonosov Moscow State University Law School

### Use of Internet for commission of terrorist and extremist crimes

**Keywords:** Internet; cyberspace; terrorist acts; extremist crime; extremism; modern information technologies; tools of social networks; investigation; forensic software

The author gives an overview of a number of methods and means for committing terrorist acts and extremist crimes involving computers and networks (cybercrime). The author maintains that the progress of information technologies encourages development of new forensics, i.e. new methods of investigation, detection and prevention of crimes.

## ROMANOVA, Alena Yurievna

Postgraduate  
Department of constitutional and municipal law  
Lomonosov Moscow State University Law School

### Some aspects of right to be forgotten

**Keywords:** Right to be forgotten; right to privacy; informational identity; personal data

The right to be forgotten means individuals can request a data operator to remove some information about them from Internet searches and directories; the right aims to protect user's privacy in digital sphere. The author discusses the differences between European and national approaches to this right and the need to analyze its links with other fundamental rights.

## SAVENKOVA, Maria Sergeevna

Master program student  
Siberian Federal University Institute of Law (Krasnoyarsk)

### Legal relations between shared-construction participant and cooperative housing association

**Keywords:** Cooperative housing association; shared construction; developing company; equity contribution; lodgment; bankruptcy

The analysis of court practice carried out by the author shows that shared construction participants can face risks when the cooperative housing association board makes a decision on additional charges, increase of housing costs, change of housing units (apartment). The authors suggest that the law should provide for additional guarantees to shared-construction participants, as well as provisions regarding responsibility of the persons at fault.

## SHCHERBAK, Nataliya Valerievna

Candidate of legal sciences  
Associate professor  
Department of civil law  
Lomonosov Moscow State University Law School

### System of intellectual property rights in Russia: classical paradigm or eclecticism

**Keywords:** Copyright; related rights; patents; know-how (trade secrets); intellectual rights; access rights; droit de suite; royalty

Widespread use of intellectual property has necessitated a comprehensive review of the nature of legal relations in this sphere of law as well as development of norms consistent with the actual state of things. The aim of the article is to analyze the system of intellectual property rights in Russia.

## SIRIK, Natalia Valerievna

Candidate of legal sciences  
Head of department of civil law and procedure  
International law institute (Smolensk branch)  
Associate professor  
Department of civil law studies  
Saratov state law academy (Smolensk branch)

### KUSKOV, Aleksey Sergeevich

Chairman  
Consumer protection legal center (Saratov region)

### Standard agreements on travel services and products

**Keywords:** Agreement on travel services and products; travel agency; tourist; travel agent

The authors discuss the problems of legal regulation in the sphere of tourism, in particular, those related to the use of new standard agreements on travel services and products. The authors suggest further improvements to the applicable laws should be made.

## TOMSINOV, Vladimir Alekseevich

Doctor of legal sciences  
Professor  
Lomonosov Moscow State University Law School

### Andrey Yanuarievich Vyshinsky (1883—1954), statesman and legal scholar. Article thirty-three

**Keywords:** USSR; repressions in 1936—1938; NKVD; A.Ya. Vyshinsky; Office of Public Procurator of the USSR

The article continues the series of works devoted to the professional career and academic legacy of A.Ya. Vyshinsky. The author discusses the historical phenomenon of 'mass repressions during 1936-1938' and the role of A.Ya. Vyshinsky, the public procurator of the USSR, in political repressions in the Soviet Union.

## VIFLYANTSEV, Andrei Olegovich

Postgraduate  
National Research University Higher School of Economics Faculty of Law

### Judicial review in administrative procedure in Russian Federation

**Keywords:** abstract judicial review; administrative procedure; challenging legal acts; specialized court

The author analyzes currently developing legal mechanism allowing parties to challenge legal acts as well as related legislative trends and pertinent court practice.
