### **BURMISTROVA, Svetlana Alexandrovna**

Candidate of legal sciences

Associate professor

Head of department of civil procedure

Russian State University of Justice (Ural branch, Chelyanbinsk)

#### **Interim measures in civil procedure through prism of theory of legal interests**

**Keywords:** Interim measures, preliminary protection of legal rights, methods of protecting claims, good faith criteria, reasonableness, justice

The article provides justification to the choice of the theory of legal interests' protection as the methodological basis for the study of interim measures. The article reveals theoretical problems and those arising from legal practice such as legal grounds for granting motions concerning interim measures, extent of judges' discretion in certain spheres.

### **EGOROVA, Anna Anatolievna**

PhD Candidate

Department of business law

Lomonosov Moscow State University Law School

#### **Asymmetry between federal and regional investment law regulations**

**Keywords:** Regional regulatory acts, federal investment laws, foreign investment, constituent entity of Russia, state support of investors

The analysis of the court practice carried out by the author revealed that legislative acts of the RF constituent entities offer investors more favorable investment conditions in contrast to those set out in the federal legislative acts.

### **KHNYKIN, Gennadiy Valentinovich**

Doctor of legal sciences

Professor

Department of labor law

Lomonosov Moscow State University Law School

#### **Comparative legal analysis of labour discipline issues under Labour Code of RSFSR and Russian Federation Labour Code of 2001**

**Keywords:** Labour discipline, compulsory labour, self-employed workers, labour duty

According to the author it is not uncommon for the Russian legislator to make futile attempts to revive historical legal constructs without due regard to modern reality. At the same time some legal norms have been effectively superseded with more up-to-date provisions. While the first Labour Code of 1918 can be regarded as 'teacher', the applicable Russian Federation Labour Code is a 'pupil' capable of avoiding imminent mistakes and misleading paths.

### **SLYUSAREV, Dmitry Sergeevich**

Dentons Europe JSC

Associate

#### **Company employment regulation: problems of theory and practice**

**Keywords:** Bylaws, company directives, position description, staffing chart, leave schedule, internal policies and procedures

The author draws a distinction between bylaws and company directives and discusses applicability of global rules and procedures implemented by international corporations with regard to Russian employees.

The author also considers the question of whether invoking global rules and policies of international corporations upon Russian workers is lawful. Another issue analyzed concerns inclusion of global policies provisions into bylaws and its effect on the scope of workers' competence. The author suggests possible ways of improving the regulation of internal rule-making.

### **SOKOLOVA, Svetlana Gennadievna**

Postgraduate

Department of financial law

Lomonosov Moscow State University Law School

#### **Tax avoidance**

**Keywords:** Tax avoidance, tax planning

The article analyzes the scope of tax avoidance. The author concludes it is necessary to introduce a transitional concept between tax evasion and fulfillment of tax obligations to meet the needs of both government and taxpayers.

### **SVISTUNOVA, Anna Aleksandrovna**

Laboratory of legal Informatics and cybernetics

Junior Research Scientist

Lomonosov Moscow State University Law School

### **YASTREBOVA, Evgeniya Anatolievna**

Laboratory of legal Informatics and cybernetics

Junior Research Scientist

Lomonosov Moscow State University Law School

#### **New lawyering skills in legal tech era: should students be taught programming?**

**Keywords:** Legal tech, legal technologies, lawyering skills of future, algorithm design for law, teaching legal technologies, computer programming for lawyers, legal informatics

Who are the lawyers of legal tech era? Are they passive users of information technologies or active participants of their creation and development? Will programming skills become an essential competence of future lawyers? This paper analyzes successful practice of teaching basic programming and algorithm design in foreign law schools. With due regard of development prospects of legal sphere in digital era the authors justify the importance and need to overhaul the existing approach to teaching information technologies in Russian law schools.

### **TELYUKINA, Marina Viktorovna**

Doctor of legal sciences

Professor

Department of civil law and procedure

Russian Presidential Academy of National Economy and Public Administration

### **KULIKOV, Evgenii Stanislavovich**

Candidate of legal sciences

Associate professor

Department of social studies and humanities

Faculty of economic and social sciences

Russian Presidential Academy of National Economy and Public Administration

#### **Volunteering and volunteer work in Russia: legal problems**

**Keywords:** Volunteer, volunteering, charitable work, charitable organizations, community service purposes, community service, extended interpretation, volunteer agreement, quasi-right to remuneration

On May, 1st 2018 newly amended Federal Law "On charitable work and volunteering" came into force. The authors discuss the legal notion of 'volunteer' and 'volunteering', and compare them to similar or related concepts. The authors also discuss the problems arising from contracts to which volunteers may be a party.

### **TOMSINOV, Vladimir Alekseevich**

Doctor of legal sciences

Professor

Lomonosov Moscow State University Law School

#### **Andrey Yanuarievich Vyshinsky (1883—1954), statesman and legal scholar.**

##### **Article twenty one**

**Keywords:** A.Ya. Vyshinsky, I.V. Stalin, L.D. Trotskiy, case of anti-Soviet Trotskyist Center

The article is devoted to A.Ya. Vyshinsky, his professional career and his input to the development of jurisprudence. The article dispels political myths about this figure and provides an unbiased analysis of his political career and scholarly works.

### **YADRIKHINSKY, Sergey Alexandrovich**

Candidate of legal sciences

Associate Professor

Department of administrative and financial law

Kutafin Moscow State Law University

North-Western Institute (branch)

#### **Lawful interests of taxpayers: concept and features**

**Keywords:** Lawful interest, tax payer, tax authority, consent, value, tax benefit, enforceability

The author tries to define the notion of lawful interests of tax payers and singles out significant features, to broaden the content of the concept to make it more practicable for the law enforcement and taxpayers.
