Candidate of legal sciences  
Associate professor  
Lomonosov MSU Law School  
Commercial Law department  
filippovasy@yandex.ru

#### **ON GROUNDS FOR GROUPING OF "NEW" CONTRACTS: INSTRUMENTALIST APPROACH TO DRAFTING CONTRACT LAWS**

**Keywords:** contract framework, commercial contracts, mixed contracts, upgrading of civil laws, instrumentalist approach, lex mercatoria

An attempt to create contract framework and to provide for all types of contracts is criticized in the article. Distinction is drawn between consumer contracts and business contracts. The conclusion is made that business transactions should not be closely regulated by Civil Code. Moreover, exhaustive regulation of business transactions may be dangerous in commercial terms. There is underlined the necessity to extend the scope of lex mercatoria and to make up guidelines of the most successful practices in particular contracts.

### **KANASHEVSKY, Vladimir Alexandrovich**

Doctor of legal sciences  
Professor  
Moscow State Law Academy named after O.E. Kutafin  
Department of Private International Law  
seleron75@mail.ru

#### **CONFLICT-OF-LAW REGULATION OF INSURANCE CONTRACTS IN RUSSIA AND OTHER JURISDICTIONS**

**Keywords:** insurance contract, conflict-of-law regulation, insurance risk, applicable law, subrogation, insurer, insured

The author examines conflict-of-law regulation of insurance contracts under Russian and foreign laws, exemplified by judicial settlement of disputes arising from international insurance contracts in Russian and foreign courts.

### **RODIONOVA, Olga Mihailovna**

Associate professor  
Candidate of sociological sciences  
Mordovian State University  
Civil Law and Procedure Department  
omrodionova@rambler.ru

#### **MECHANISM OF CIVIL-LAW REGULATION, ITS RELATIONSHIP WITH CIVIL-LAW SUBJECT AND METHOD**

**Keywords:** mechanism of civil-law regulation, subject and method of private law, subject and method of civil law, private autonomy

Relationships between civil-law regulation mechanism and civil and private-law subject and method are expressed in strict subordination of the mechanism to primary features of a particular branch of law. According to the author this subordination is manifested in social understanding of proprietary and personal relationships as free-will, friendly ones that can be affected only through private autonomy, permits legal interference of legal rules and regulations deriving from them.

### **ROMANETS, Yuriy Vladimirovich**

Doctor of legal sciences  
y.v.romanets@yandex.ru

#### **CIVIL-LAW EQUIVALENCE PRINCIPLE AS FAIRNESS PRINCIPLE. PART II**

**Keywords:** fairness, morality, civil-law equivalence principle, property balance, value, price, equality, business relations, making agreement, currency clause,

inflation, invalidity of contract, restitution, termination of contract, property liability

Property equivalence as moral and legal basis securing fairness of social relations is examined in the article. The author defines the concepts of absolute and relative equivalence and determines the conditions under which the departure from absolute equivalence can be morally acceptable. There is general description of equivalence as a civil-law principle, its realization in various civil-law institutions is shown. The author taking equivalence for ethical basis of modern civil-law regulation emphasizes its moral essence limitation which is significant in legal terms.

Candidate of legal sciences  
Associate professor  
Department of criminal procedure, justice and public prosecutor's supervision, Lomonosov MSU Law School  
criminal\_proceedings@law.msu.ru

#### **NEW PROVISIONS IN CRIMINAL PROCEDURAL CODE OF THE RUSSIAN FEDERATION**

**Keywords:** criminal procedure, public prosecutor's powers, the making of cooperation pre-trial agreement, reformation of inquiry procedures

There have been a number of serious amendments to the Russian Criminal Procedural Code since its adoption 10 years ago. One of them deprives public prosecutor the power to investigate a crime and to exercise supervision its entirety over procedural actions of bodies conducting preliminary inquiry into a crime. Wholly modified procedures of appeal, review and supervision which are to be introduced in January, 1, 2013 also arouse a lot of doubt. The author evaluates the alterations made.
